United States District Court
District of Minnesota

CLERK
U.S. DISTRICT COURT
MINNEAPOLIS, MINNESOTA
V.

Lisa Biron, Plaintiffs

Case no. 19-CV-2938

Sawyer, et al, Defendants

Response and Request for Telephonic Hearing
Regarding Defendants' Request for
Extension of Time to Respond

It appears that Defendants mistake Ms Biron's Motion for Emergency Injunction/Temporary Restraining Order as a Motion for Preliminary Injunction.

The Motion, however, requests emergency relief regarding Lisa and Rachael Biron's ability to communicate and send documents to each other regarding this lawsuit. Once they are able to do this, they intend to move for a preliminary injunction regarding their ability to communicate and correspond generally, as well as file an amended complaint adding claims for damages.

Presently, Defendants are barring Plaintiffs' ability to prosecute this case. Wherefore, Ms. Biron requests this Honorable Court schedule an emergency telephonic hearing at the earliest available time.
